August 2017

Message from the Principal – Dr. Barnard

Dear East Hills Students and Families,

2017-18 start of the year has been very positive, with our ongoing focus of putting students' first and ensuring a positive, safe and supportive school culture.

Our major highlights this new school year are:

- 9 students mainstreaming and taking courses at Olympian High School
- Several new students to EHA and adjusting to our positive and supportive school culture
- New High School/Transition combo class in our Hawkins Ctr (Mod-Sev Program).
- 4 new staff joining our amazing Hawkins Ctr.

Please support us at home to encourage our students to consistently model behaviors that align to our 4 character traits:

1. Respect
2. Responsibility
3. Safe
4. Appropriate

We invite you to take part in as many of our upcoming events to continue our ongoing partnership. It takes a village to raise a child. We cannot do it without you!!

Looking forward to serving you during this great year!!!

Tech Tips

The resource to share with you is called **You Can Book Me**. (<https://youcanbook.me/>) It's a web based scheduling application that connects to your google calendar. It has quite a few great features such as sending automated email reminders, allowing users to reschedule their own appointments and allowing you to set blocks of times that you are available for appointments. It has great potential for scheduling meeting with students, with parents or for me, scheduling textbook distribution.
